RESUME

I am a graduate of the Information Systems Study Program at Gunadarma University (August 2026), holding a Bachelor of Computer Science (S.Kom) degree with a GPA of 3.76. I have a strong interest in technology-based system development and data analysis. With a solid understanding of programming, databases, and IT project management, I am committed to continuously learning and applying my skills in a professional environment. I am ready to take on new challenges and make a positive impact for the company.

EXPERIENCE

Starbucks – Crew Kitchen *August 2022 – November 2022*

- Ensured all food preparation met the quality and cleanliness standards set by Starbucks.
- Maintained cleanliness and tidiness of the kitchen area, and ensured kitchen equipment was in good condition and ready for use.
- Worked together with the barista team to fulfill customer orders quickly and efficiently, maintaining customer satisfaction.
- Managed food and beverage inventory in the kitchen, ensuring daily availability of raw materials.
- Complied with occupational health and safety procedures, ensuring high hygiene standards in food service.

Ministry of Transportation of the Republic of Indonesia – Information Technology (Intern) *August 2025 – September 2025*

- Supported operational activities in the field of Information Technology.
- Involved in software system analysis.
- Assisted in data processing and analysis to support system requirements.
- Prepared and updated system technical documentation.
- Coordinated with internal teams in carrying out IT-based tasks.

Rutee – Social Media Specialist (Intern), Remote *August 2025 – October 2025*

- Managed and developed social media content to increase engagement and brand awareness.
- Analyzed content performance using social media insights and metrics as a basis for strategy evaluation.
- Assisted in content calendar planning and digital campaign ideation.
- Collaborated with the team to maintain consistency in branding and digital communication.

EDUCATION

Gunadarma University – Majoring in Information Systems *October 2022 – August 2026*

- GPA: 3.76 out of 4.00 (Transcript)

ORGANIZATION

Fikti Space – Media Coordinator *Feb 2024 – June 2024*

- Designed and managed creative concepts and ideas, from planning through execution, ensuring events ran according to objectives and budget.
- Designed lanyards, Instagram feeds, and apparel for event promotion purposes.
- Managed event documentation, including photography, videography, and post-event reports for analysis and evaluation.
- Coordinated with internal and external teams, including vendors, sponsors, and media, to ensure the smooth running of all aspects of the event.
- Ensured all events complied with standards and delivered a positive experience for participants and partners.
